February 2023

Dear Parent/Guardian

Year 11 March Mock examinations

Year 11 learners have another opportunity to get some valuable exam practice starting Monday 27th February.

The mock timetable is at the end of this mailing, please note a minor change due to the planned strike day on March 2nd.

Learners must wear full correct school uniform to their exams and bring all necessary equipment. (Pens/pencils/ruler plus Mathematical equipment Protractor/Pair of compasses/calculator). We are not able to lend any equipment in exam venues.

We will be contacting some learners to come in on March 2nd for catch-up work and these learners will be notified on Tuesday 28th February.

Summer GCSE Examinations

There are only 12 weeks until the first written GCSE exam on Friday 12th May, with only 9 of these weeks being school weeks.

The school is finalising entries for summer examinations this week. All learners are expected to complete all course requirements for the subjects they are studying and this includes attending all exams. Any learner who fail to complete any subject, which includes non-attendance to exams, may now be charged.

Attendance

I am sure you understand that one of the best things you can do now is to ensure your child attends school every day when they are fit and well and also attends every timetabled lesson.

Please be aware that with the current Y11 timetable, 2 option subjects have lessons only on Fridays. Therefore, attendance on a Friday is vital for all Y11 learners.

We expect every pupil to be in full attendance until May 27th, as directed by the Local Authority.

When the exams start, we will be running revision sessions around the timetable to best support pupils. Pupils are not to leave school when they have completed an exam, and we expect them to return immediately to the timetable running for them.

Study leave, when they can revise from home, starts on June 6th.

The next few weeks are crucial in terms of gaining the best grade possible. Please support your child by encouraging them to work hard and get organised with their revision programme.

Yours sincerely,

K Thomas
