Federation College Option 2

Federation College Option 4

Tue/Fri

Tue/Fri

Computer Science

Law

Economics

Government and Politics

French

Welsh 2nd Language

Sociology

The Federation options allow students who choose them alongside YHT options A-C a wider choice. It also offers students 'a foot in both camps' if they want to experience both environments.

*For course information on College options please refer to the **Pembrokeshire College** website. Direct part-time applications needed for Pembrokeshire College Federation options (dates & info to follow)*

Learners who are considering applying for Pembrokeshire College on a fulltime basis (instead of the Sixth Form) are reminded that they must pass their English and Mathematics with at least a C grade in order to access their A Level suite of subjects. However, our Sixth Form offer includes A Levels/BTECs (all Level 3) alongside English & Maths re-sit GCSE if necessary (if GCSE grade D attained). Please refer to our digital prospectus for detailed information.
